DIGITAL FILM ACTIONS

Hello! Thank you so much for purchasing my presets and supporting me as an artist. In return I hope my colours work like magic on your pictures! In case you need some help, here are some instructions on how to intall your newely purchased presets:

To install Digital Film's Photoshop Curves, copy the preset (presetname.acv) and place it in the following location:

MAC

~/library/application support/adobe/adobe photoshop/presets/curves

PC

c:/program files/adobe/adobe photoshop/presets/curves

If you need any more help or you have any questions or comments, please email me at juliatrotti@gmail.com I'll be more than happy to help you!

Otherwise, I hope you enjoy your time editing!

Julia x

Please don't forget you can also share your images edited with Digital Film presets & Free Curve Friday colours on our Tumblr page!
